ADDITIONAL ELECTRICAL REQUIREMENTS

FORM 5

- Prices include the supply, hire, installation and maintenance, during the show, of circuit wiring and dismantling.
- A separate quotation for any items not listed below can be obtained on request.
- Exhibitors or contractors using their own electricians must still order a distribution board through the attached form, as well as provide an electrical certificate of compliance.
- If a fitting plan has not been received with specific placement of fittings ordered, fittings will be placed at the discretion of the onsite electrician. Any items that need to be re-positioned will be at the cost of the exhibitor
